Saratoga literary society met Wednes day evening. On account of bad weather the attendance was small. Adjourned for one week when they will organize for the winter The question for debate next Wednesday is resolved that the election of the republican nominee for president is necessary for the best interest of the country.

In the contest at Nebraska City yestenday, by the various lodges of Knights of Pythias for the prize of best drilled batallion, the Lincoln lodge was victorious after a long struggle of several hours. Great enthusiasm prevailed, and 2,000 peo ple, headed by two full bands, excerted them to the Barnum House. They after wards at the opera house, received congrat-

ulat one and had a rousing time. -The Union Catholic library association at its meeting last evening, heard gratif ving reports from the committee in charge of the concert; to be given at the Academy of Music, Friday evening, Oct. 21. The best talent of Omaha and Council Biuffs have been secured, a large and varied programme prepared, and this, aside from its worthy object, will make it

The Omaha Sportsmen's Club, at a meeting held in its club rooms last night, appointed Wednesday, Oct. 27th, as the The General hopes to have through remain a mooted question, and we the proceedings of this meeting in appointed Wednesday, Oct. 27th, as the trains running some time in Novem- will proceed to report the interview. The capture trains running some time in Novem- We ascertained that the mayor was A resolution was offered that peting will be called during the week to ose sides and perfect all arrangements The club will have a grand banquet, game supper and ball at the Withnell Hotel after the hunt, and many of the leading it wers of Omaha and Lincoln will be in-

The season for fires is at hand, and it becomes householders to see that their and botter fires, and extra stoves, and naine western disregard of caution there Il be a fire one of these days. The on'y buil lings rake up that extra litter, bunch these shavings and fix that stove pipe that

Roshells, the young tragedienne, appears at of whose appearance in St. Joe, The Harald says: "From the instant the first line was spoken until the fa'll of the curtain on the last set, the audience weraxious, expectant and enthralled and this is a greater praise to Roshelle and her a hairable support than mere word critidiam can bestow. The part essayed was a most difficult one, in it being combined all phases of the woman heart.

John Hora, a tailor on Tenth street who has within the rast two years became familier by name to the reporters of this of y ara man who is always abusing his family and getting into trouble, was again ested last night for threatening to shoot and cripple his wife. We had intended to mir his case to-day but as his wife was look h enough to go and plead for the discharge this moraing in police court and the judge two tender-hearted to refuse, we appose its no use to kick. We presume the man will keep on tall he will kill his a ife or child and then will be time enough

Interview.

Bluffs Nonpareil of yest r lay, which we are sure Mayor Chase will not object | ker. to our reproducing, as it is of a piece with other attempts on the part of that sheet to be funny at the expense of a city whose prosperity is a continual eye-sore to all the good people of that village, who are always

If what the mayor said at that time

(?) mayor will smoke a cigar (?) with

A representative of The Nonpareil cific depot in Council Bluffs the other evening. The newsgatherer saw his honor, Champion Sampson, gather his portly form on board the Wabash riety and interviews, and his great straigh way to the train on which his lordship, Champion Sampson; rode and "c ralled" the same public character and demanded an interview.

but two things, his faculty for saying a great deal and at the same time admiration of Col. Champion Sampthe Chicago, St. Paul, Minneapolis & to make out which was the larger-Omaha line was in the city yesterday. Omaha or Champion S. But, let that oing to St. Louis to see the "veiled

> ng here ensued: Reporter-I see by Omeha tele grams to the Chicago papers that the Wabash runs its trains into Omaha. Champion 3 - Well ahem, that re

port is a little premature R .- By the way colonel, where is he town of Omaha situated? It strikes me that I have heard the name C. S.- Heavells, young man, can be that there is a newspaper man on

this continent that has not heard of ne and my great cit; ? I cannot believe that in this enlightened day; in this day of telegraph lines and brill ant minds that know how to send news by tel graph there is a nan "so near and yet so far" who is gnorant of the location of Omaha. he city in which I live and of which I am proud to say I am high mayor R. -Ah, yes, now I "catch on. This Omaha is a town situated out west on the line of the Union Pacific road where telegrams are sent from ong enough to fill an average paper. every time an animated dog fight occurs or a prominent railroad man with influence to stop a train long

enough, to jump off and take a drink. C S.—Yes, just so, just so, R —And I think the press telegrap operators throughout the land know

where it is, too. C. S.-Well, yes, I guess they do R,-I see, however, nothwithstanding all this flare up, when you folks want to go east, north or south, you get on a Union Pacific train when passes through your town and come to Council Bluffs to start. Singular, isn't it, with all these railroads, I see by the papers, you have running into

that town of yours?
C. S. Well, I guess you have the erminus now. But it is like a dose of salts. When we want to go any where, we go right through you over

R.-Exactly, and like a dose of salts, we always feel better after you have gone. But those are mild salts that pass through the first station west on the Union Pacific. A person never knows he has gone through Omaha unless informed by a railroad man, who is supposed to be acquainted, or unless he is reminded of the fact by

having a copy of the mayor's "latest proclamation" thrust upon him. At this stage of the game, his lord the mayor, winced a little; threw away car remarked to the newspaper man, who in reality had just brought his gans to fairly bear upon the portly form of Champion S., "well, I'll see you on my return-the 'veiled proph-

ets' are demanding my attention. And a few moments later the train colled out of the depot and the familiar form of the lord mayor, his white moustache and his white tile was the only distinguishable features on the
